

Sister Josefa Menéndez

Sister Josefa died a holy death at the Convent of Les Feuillants, Poitiers, France, on 29th December 1923, at the age of thirty-three. She lived as a sister in the Society of the Sacred Heart for four years and was chosen by Jesus to be His victim soul. Subjected to severe and continuous demonic attacks, she was, like Saint Faustina, in conversation with the Lord and recorded many divine messages.

Our Lord's Words to Sister Josefa are published in a book called *The Way of Divine Love*. See especially in this book the explanation of the events on The Way of the Cross.

Quotations from the book:

"If I could have found a more wretched creature, I should have chosen her for My special love, and through her revealed the longings of My Heart. But I have not found one, and so I have chosen you " (7th June 1923).

"I have selected you as one utterly useless and destitute, that none may attribute to any but Myself, what I say, ask and do " (12th June 1923).
